Continuation of Item 3(d) of the Defective Appeal

1. Appellant's amended appeal brief filled on 28 November 2005 continues to be in noncompliance of which the appellant was notified. In particular, the brief continues to be defective with respect to the appeal brief not containing the board decision (2004-1516) as required by 37 CFR 41.37(c)(1)(vi), which appellant states is attached, however no such document was submitted. Further note the previous notice of non-compliant appeal brief dated 5/4/06, which clearly informed appellant that the brief does not contain copies of the decisions rendered by a court or the Board in the proceeding identified in the Related Appeals and Interferences section of the brief as an appendix thereto (37 CFR 41.37(c)(1)(x)). The appeal is therefore dismissed in accordance with MPEP 1205.03 as the filed an amended brief does not overcome all the reasons for noncompliance of which the appellant was notified on 5/4/06.
